WELCOME INAC 2026

ABOUT THE CONFERENCE:

Dear Friends,

I am thrilled to announce that the 11th Annual Conference of the International Neonatology Association (INAC) will take place in the beautiful city of Amsterdam, Netherlands, from 19-22 November 2026.

Following the success of our 2025 conference in Porto, hosted by the Paragon Group, INAC continues to be a premier global gathering for neonatology and perinatology professionals.

Over the years, INAC has established itself as a key international platform for sharing groundbreaking research, cutting-edge advancements, and expert discussions in the field. This year, we are particularly excited to explore our central theme: "Effects of Early Interventions for a lifetime." With this focus, the conference will bring together renowned international speakers and leading experts to examine long-term outcomes and the latest solutions in neonatal care.

INAC 2026 will feature a dynamic program, including pre-conference workshops led by world-class experts, engaging scientific sessions addressing the most pressing topics in neonatology, and an exceptional networking opportunity for neonatologists, perinatologists, pediatricians, nurses, nurse practitioners, and respiratory therapists from around the world.

Amsterdam, with its iconic canals, rich artistic heritage, and vibrant culture, will be the perfect setting for an inspiring and unforgettable conference experience.

Mark your calendars and get ready for the most exciting neonatology event of the year! Stay tuned for further details on the program and registration.

Kind regards,

We look forward to seeing you in Amsterdam, November 19-22, 2026!
